CONSENT FOR TREATMENT

As parent or legal guardian of the patient named above, I give Heartland Community Health Center permission to provide my child with comprehensive dental care. Comprehensive care includes dental sealants, fluoride varnish, silver diamine fluoride treatment, x-rays, dental cleanings, fillings, pulpotomies, extractions, and numbing of the mouth. I also acknowledge that the Privacy Practices were and are available for my review. This consent is valid until revoked in writing by Parent/Guardian.

I understand that all patient information is protected and will only be exchanged with staff employed/contracted by Heartland Community Health Center and, in certain circumstances, with the school (applicable only if your child's treatment occurs as part of a school-based program). I authorize Heartland to release the information necessary to process insurance claims and authorize payment directly to Heartland.
